Viceroy Ombria Algarve - Two Bedroom Residence

Region: Viceroy Ombria Algarve **Sleeps:** 4

Overview

Viceroy at Ombria Algarve presents a relaxed countryside setting just inland from the Algarve's coastline, where this two-bedroom residence offers a spacious and well-balanced base for a comfortable stay. Designed for families or small groups, it combines the ease of apartment-style living with access to a full-service resort.

The residence features generous interiors with a contemporary finish, drawing on natural materials and tones that reflect the surrounding landscape. An open-plan living and dining area creates a sociable central space, while large windows bring in natural light and frame views across the valley. Outdoor terraces extend the living space, offering a quiet spot for morning coffee or evening downtime.

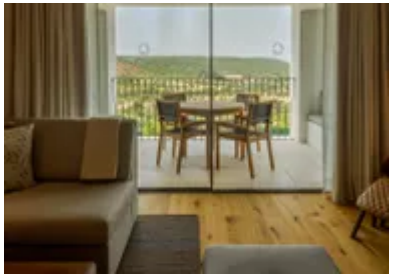

Guests staying here benefit from the resort's extensive facilities, including a three-level spa, an 18-hole golf course, and a selection of restaurants centred around regional produce. There's also a wide choice of experiences available, from cooking classes and wine tastings to guided walks and stargazing sessions.

With the independence of a private residence and the convenience of hotel amenities, this is a practical and well-located option for exploring a lesser-known side of the Algarve.
