Overview

Apartment Vila is a refurbished and spacious two-bedroom apartment located in the heart of Ibiza's historic old town. Positioned on a bright and attractive street close to the entrance of Dalt Vila, the property sits within a carefully restored historic building where the original façade and architectural details have been preserved. Inside, elements of the traditional flooring have been recovered and treated as decorative "flooring carpets," maintaining a strong connection to the building's heritage while offering a comfortable, updated living environment.

Designed with a family or two couples in mind, the duplex apartment features two double bedrooms, two bathrooms, and a fully equipped kitchen suitable for preparing meals at home. The living and seating areas are arranged to create a relaxed and practical space for unwinding after a day exploring the island, and the highlight of this well-located apartment is the outdoor terrace. This social space is great for sitting outside and enjoying the Ibiza summer heat with the background noise of the buzzing town and the views of the Dalt Vila in the distance.
