Fieldstone Granary is set on a working farm along the Lincolnshire–Nottinghamshire border, surrounded by open countryside and wide views across fields and meadowland. With plenty of space and very little passing traffic, it's a peaceful base for guests looking to spend time outdoors and enjoy the slower pace of rural life.

Just five minutes away lies the historic city of Lincoln. Its remarkable cathedral and ancient castle dominate the skyline, with the castle grounds home to one of the original copies of the Magna Carta. Around the cathedral, the Cathedral Quarter is filled with independent shops, cafés and restaurants, along with steep cobbled streets that give the area its distinctive character.

Newark-on-Trent is also within easy reach, offering supermarkets, cafés and regular markets, as well as pleasant walks along the River Trent. The surrounding countryside is ideal for walking and cycling, while Newark's rail station provides direct connections to London and other major cities.
