Overview

Port Orange Place is a relaxed retreat in the heart of Port Orange, thoughtfully designed for unhurried days beneath the Florida sun. A short drive to the beach, this three bedroom, two bathroom home offers more than 1,500 square feet of easy living space, where comfort and simplicity are seamlessly combined. A fully stocked kitchen is provided for effortless meals at home, while the inviting living room sets the scene for quiet evenings and shared moments. The open layout allows guests to gather with ease, yet there is ample room to retreat for a peaceful afternoon rest or a quiet corner with a book. Each bedroom has been prepared with comfort in mind, ensuring that restful nights follow sun filled days.

Beyond the interiors, outdoor living is gently encouraged. A private sparkling pool takes centre stage, framed by loungers that invite long afternoons of sunbathing and stillness. The patio offers an ideal setting for relaxed barbecues and alfresco dining, where warm evenings can be savoured at a slower pace. Time seems to stretch a little longer here, shaped by sunshine and soft coastal breezes. When exploration calls, the sandy shores of Daytona and Ponce Inlet are only a short drive away, along with waterfront restaurants, mini golf, and a variety of local attractions. At Port Orange Place, days are filled with light, warmth, and the simple pleasure of being close to the coast.
