Location & Local Information

Finca Vegachi enjoys a rural setting, surrounded by rolling hills and the open countryside of Southern Andalucía. Positioned close to the small towns of Aglatocin and Gaucin, guests can easily access local restaurants, small shops and traditional tapas bars while staying immersed in nature.

There are lots of bars and several restaurants in the surrounding villages offering a variety of different local specialties and types of food. Algatocin & Gaucin are traditional white mountain towns where the bars are mostly frequented by the locals. Most bars serve great coffee and offer freshly cooked, seasonal food ranging from simple tapas to full meals.

The villa is brilliantly placed for hiking and cycling. It's the perfect base for exploring the Sierra de Grazalema Natural Park, a protected area known for hiking trails, birdlife and striking mountain landscapes. Outdoor enthusiasts will find opportunities for walking, cycling and caving, while scenic drives reveal white villages scattered across the hills.

Well worth a visit during your stay here is the historic town of Ronda, just under an hour's drive away. Ronda is famed for its dramatic gorge, Puente Nuevo bridge and lively dining scene. It would make a great destination for a day trip!
