## Overview

Frangipani Retreat is a private, exclusive and utterly enchanting Villa-Resort that is only minutes away from some of the most notorious surf breaks of Canggu! The premium service here is personalised, excellent and more importantly - around the clock. In Frangipani Retreat, you'll find 10 luxurious villa bedrooms. All of these bedrooms are perfectly suited to couples who are eager to appreciate a remarkably luxurious setting. Frangipani retreat is ideal for large groups of families and friends who are looking to enjoy their time in Bali together.

The renowned Bedroom One, or Master Bedroom, is in fact an isolated two-storey Pavilion that has a private swimming pool. With a king-sized bed and open-air shower, you'll be able to enjoy astonishing views of the surrounding tropical rainforest and river that runs adjacent to the Pavilion.

Bedroom Two & Three are almost identical. They both have king-sized beds, which are encompassed by vibrant panoramic views of the forestry. These bedrooms have large wardrobe & closet areas and modern bathrooms with terrazzo build-in bath tubs.

Again, Bedroom Four & Five are very similar. These bedrooms both have a king-sized bed that lay adjacent to glass panelled windows that allow the glorious sunlight to filter onto the bed and reading corner. These bedrooms are also equipped with en-suite bathrooms, which have 'His & Hers' wash basins.

The second of the Pavilions houses is home to Bedrooms' Six & Seven. These en-suite bedrooms are somewhat cosier than the aforementioned boudoirs, but fashioned in an equally tasteful manner. Both with king-sized beds, teak wooden floors and adorned in typically Balinese

furnishings.

The Romantic Bale Bedroom, or Bedroom Eight, is perhaps the smaller en-suite bedroom at The Frangipani Retreat! This is certainly an ideal choice for lovers of the elements. Surrounded by jungle, ensuring complete discretion, the all-encompassing windows give the illusion that the queen-sized bed is exposed to the local environment. Ideal for a young couple or solo traveller.

Finally, Bedroom Nine & Ten have been specially created with children in mind. Each of these bedrooms has five bunk beds for 10 children each, overseeing the Wedding Pergola, green lawns and lush jungle. These two bedrooms of the "bunk house for children" can also be converted into luxury en-suite bedrooms for couples, as the bunk beds can be removed and replaced with king-sized beds.

Within the central grounds you will find a fully equipped kitchen, where Frangipani Retreat's renowned Kitchen Team are happy to cook from a suggested menu or to your own preferences. Should you have any special requests please feel free to consult with the Chef or Villa Manager - they'll be more than happy to assist! Whilst dining, you and your guests will overlook 35-metre infinity pool with unobstructed jungle & river views of Bali's beauty. Along the pool, you'll find two wooden bale huts with a Media Room, Cinema, Lounge, Billiards & Games Room. There's also a Gym & Spa for exercise and enjoyment! The expansive green lawns make a perfect playground for kids, or for ceremonial events like weddings.
