Location & Local Information

Set in the elevated residential area of Kördere, Villa Irem Mavi enjoys a peaceful position just above the vibrant harbour town of Kalkan. This hillside setting offers a sense of space away from the centre, while still keeping you within easy reach of the town's restaurants, shops, and beach clubs.

Kalkan itself is known for its rooftop dining spots, waterside terraces, and clear waters, making it a popular choice for relaxed evenings out and days by the sea. The old town, with its narrow streets and whitewashed houses, is just a short drive away, along with the town beach and a selection of well-regarded beach clubs dotted along the coastline.

For those keen to explore further, the wider region offers plenty of interest, from the sandy stretch of Patara Beach to historic sites such as Xanthos and Letoon. The surrounding coastline is also ideal for boat trips, giving you the chance to experience hidden bays and swimming spots.

While a car is recommended due to the villa's elevated position, this location strikes a good balance between privacy and access to Kalkan's highlights.
