Vale Verde Vista

Region: Portugal **Sleeps:** 40

Overview

Vale Verde Vista offers a rare sense of scale in Portugal's Alentejo region, just a short drive from Porto Covo and the Atlantic coast. Designed to host up to 40 guests, the estate combines a central main house with a collection of independent bungalows, making it particularly well suited to large family gatherings, group trips or organised retreats.

The main house acts as the social hub, with an open-plan living and dining space and a fully equipped kitchen fitted with SMEG appliances and a generous central island. It's a layout that naturally brings people together, whether for shared meals or relaxed evenings indoors.

Outside, life centres around the pool and surrounding terraces. There's space for dining, lounging and long, informal get-togethers, with a barbecue and covered seating areas extending the living space well beyond the interiors. Games such as table tennis and table football add a playful edge, while the separate bungalows offer privacy for guests who want their own space.

With weekly housekeeping, concierge support and practical features including air conditioning and extensive laundry facilities, Vale Verde Vista is set up for comfortable, easy group living - within easy reach of beaches, coastal walks and some of the region's most exciting dining spots.

Location & Local Information

Vale Verde Vista sits in Portugal's Alentejo region, close to the coastal village of Porto Covo and within easy reach of Melides and Comporta. This part of the country is known for its slower pace, wide open landscapes and a coastline that feels refreshingly undeveloped.

The villa is positioned along the northern stretch of the Rota Vicentina's Fisherman's Trail, a route celebrated for its dramatic scenery and walking paths that trace the edge of the Atlantic. Nearby, you'll find a series of sandy beaches, hidden coves and striking cliffs, offering plenty of options for both relaxed beach days and more active exploration.

Porto Covo is just a short drive away, with a handful of restaurants, cafés and local shops, while the surrounding area has become increasingly recognised for its emerging food scene, where contemporary dining sits comfortably alongside traditional Portuguese cuisine. Lisbon is also accessible for day trips or arrivals, just two hours away by car.
