Overview

Villa Vista Imperia is a contemporary four-bedroom retreat set above the hilltop town of Buje, offering far-reaching views across the Istrian landscape towards the Adriatic. Designed across four levels, this recently built home combines clean architectural lines with carefully selected interiors, creating a space that feels both refined and comfortable.

At its heart, the villa features an open-plan living area where a fully equipped kitchen flows into a spacious lounge and dining space, all styled with soft neutral tones and subtle metallic accents. Each of the four bedrooms has its own character and benefits from a private bathroom, making the layout particularly well suited to groups seeking both privacy and shared living.

One of the standout features is the rooftop terrace, where a saltwater infinity pool looks out over the surrounding countryside and coastline. For slower moments, guests can make use of the bio-Himalayan sauna or gather around the outdoor dining area, complete with a teppanyaki grill for sociable evenings.

With additional features including a gym, children's play areas, and optional services such as a private chef, Villa Vista Imperia offers a well-rounded base for exploring Istria or simply enjoying time together in a thoughtfully designed setting.
