Casa Cabarete

Region: Dominican Republic **Sleeps:** 12

Overview

Casa Cabarete has been designed with multi-generational travel in mind, offering a space where everyone can enjoy their own rhythm during the day while coming together in the evening. The experience reflects that of a private hotel, with attentive service but without crowds, shared spaces, or waiting times. Located near Cabarete within a secure gated community accessed through two checkpoints, the setting is both peaceful and well maintained. Within the community, guests can enjoy a selection of amenities including a wood-fired pizzeria, a beachfront boutique hotel with restaurant, a yoga platform, and a small spa. Arrival is straightforward, with a private airport transfer from Puerto Plata International Airport taking around 20 minutes, and a dedicated concierge available throughout the stay.

The villa is reserved exclusively for each group, meaning the property, pool, staff, and amenities are never shared. Six bedrooms provide a flexible layout, with four upstairs suites offering private ensuite bathrooms, two of which have access to terraces with ocean views. Two additional bedrooms on the ground floor are well suited for children or teenagers and share bathroom facilities. Casa Cabarete is ideal for up to ten guests, with capacity for twelve when children are included. It works particularly well for families, groups of friends, surf and pickleball enthusiasts, wellness-focused travellers, and small retreats, especially for those who value privacy, space, and personalised service over a traditional resort setting.
