

Casa de la Juderia

Region: Andalucia **Sleeps:** 8

Overview

Casa de la Judería is a distinctive three-storey townhouse set directly beside Seville's iconic Royal Alcázar, placing guests in an extraordinary position within the historic Santa Cruz neighbourhood. With space for up to eight guests across four bedrooms, the property combines a practical layout with an address that is difficult to match, offering immediate access to one of the city's most significant landmarks.

The interiors are arranged with comfort and functionality in mind. All four bedrooms include en-suite bathrooms, and the layout is thoughtfully spread across different levels, allowing for a degree of privacy within the group. A fully equipped kitchen sits alongside the sleeping quarters on one floor, while the main living room is located at the top of the house, opening out onto two terraces and creating a natural gathering space.

One of the defining features of the property is its close relationship with the Royal Alcázar itself. Parts of the house share a wall with the palace, and the upper terrace looks out towards its historic gardens. Just a short walk away guests can also reach the iconic Cathedral of Seville! Casa de la Juderia offers a comfortable and well-equipped base with a location and unique architectural surroundings which will truly shape your Seville experience.
