Location & Local Information

If you choose to stay at Gozo Sun Deck, the village of Xagħra offers a range of scenic walking routes and viewpoints to explore. The village, whose name is derived from Arabic meaning “wilderness,” is situated on elevated ground northeast of Victoria, Gozo’s capital, and is surrounded by the bays of Ramla, Għajn Barrani, and Marsalforn.

The surrounding valleys of Ramla, Ta’ l-Għejjun, and Marsalforn provide opportunities for countryside walks, cycling, quad biking, and horse riding. Ramla Bay, widely regarded as one of Gozo’s most popular beaches, is known for its golden-red sand and clear waters, making it a popular spot for swimming, snorkelling, and sunbathing.

What we love

- Spread across three generous floors with five en-suite bedrooms, the villa offers plenty of room for families or groups of friends to relax together while still enjoying privacy and comfort.
- The open-plan living area flows directly onto the expansive pool terrace, making it easy to spend long sunny days outdoors.
- Guests will especially enjoy lounging by the private pool, dining al fresco, and gathering around the charcoal grill in the evenings.

What you should know...

- The villa's multi-level layout and numerous stairs may not be ideal for guests with reduced mobility or families with very young children
