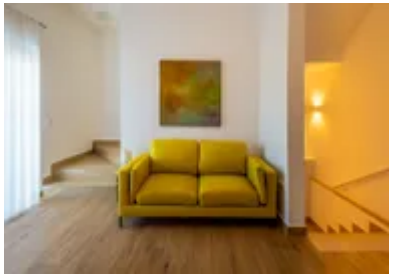
Location & Local Information

Victoria, also known as Rabat, is the capital of Gozo and serves as the island's main commercial and cultural centre. Its streets are lined with a mix of historic buildings, local shops, cafés, and restaurants, creating a lively atmosphere throughout the year.

At the heart of the town is the Cittadella, a historic fortified citadel that offers panoramic views across Gozo and is home to several museums and landmarks. Victoria is well connected to the rest of the island, making it a convenient base for exploring Gozo's beaches, countryside, traditional villages, and other attractions while enjoying a wide range of local amenities.



What we love

- The private swimming pool, sun deck, barbecue, and outdoor dining area create an ideal setting for relaxing, enjoying meals together, and making the most of Gozo's warm climate.
- With four double bedrooms, each featuring its own en-suite bathroom, the villa provides a good balance of privacy and shared living space for families or groups travelling together.
- The top-floor terrace provides an additional outdoor space where guests can relax and enjoy views over the surrounding countryside.

What you should know...

- While Victoria's shops, restaurants, and attractions are within easy reach, a car is recommended for exploring Gozo's beaches, villages, and other points of interest.
- Children should be supervised around the pool at all times
