What we love

- Situated in Lachania, the villa offers a quieter environment away from busy tourist centres, making it ideal for those seeking a more relaxed holiday experience.
- With four bedrooms and two bathrooms spread across two floors, the villa offers a practical arrangement that gives guests both shared spaces and personal privacy.
- Being located close to the coast allows guests to easily enjoy beach days, sea views, and the relaxed atmosphere of the area.

What you should know...

- To explore the island, visit attractions, or access larger towns and supermarkets, guests will probably need a car.
- For larger groups, sharing two bathrooms between eight people could be less convenient
