Overview

Casa Buger combines traditional Mallorcan character with contemporary design, creating a comfortable countryside retreat designed for relaxed stays in the heart of the island. Renovated with modern and avant-garde touches, the villa balances original features with bright, carefully designed interiors and generous outdoor space. Sleeping up to six guests, the house is particularly well suited to smaller groups or families looking for privacy, comfort and easy outdoor living in a peaceful rural setting.

The villa is centred around a large garden and private swimming pool, offering plenty of space to enjoy Mallorca's warmer months outdoors. A covered terrace with barbecue and dining area creates an inviting setting for long lunches and relaxed evening meals, while the interiors include a living and dining room alongside a fully equipped kitchen. For added comfort during the summer, all bedrooms are fitted with air conditioning, and each bedroom also benefits from its own ensuite bathroom, giving guests additional privacy throughout their stay.

Set in the countryside near Búger and Sa Pobla, Casa Buger enjoys a peaceful location surrounded by rural landscapes while remaining well connected for exploring northern Mallorca. Traditional villages, local markets and walking routes are all easily accessible, while the beaches of Alcúdia and Playa de Muro can also be reached within driving distance. The villa's location offers a balance between countryside tranquillity and convenient access to both the coast and inland Mallorca.

Location & Local Information

Casa Buger enjoys a peaceful countryside setting near both Búger and Sa Pobla, surrounded by rural landscapes and quiet roads that are ideal for exploring inland Mallorca. The area offers a slower pace of life, with open countryside, traditional villages and walking and cycling routes all close by. Staying here gives guests the opportunity to experience a more authentic side of the island while still remaining well connected to nearby towns and the coast.

Sa Pobla is just a short drive away and is known for its local restaurants, cafés and lively weekly market. The town has a strong agricultural heritage and offers a more traditional atmosphere than many of Mallorca's coastal resorts, making it a great place to experience everyday island life. Nearby Búger, one of Mallorca's smallest villages, adds even more local character with its quiet streets and relaxed atmosphere.

Casa Buger is also well positioned for exploring northern Mallorca and the coastline beyond. The beaches of Playa de Muro and Alcúdia can both be reached within driving distance, offering long stretches of sand, waterfront restaurants and opportunities for swimming and water sports. The villa's location makes it easy to balance countryside stays with beach days and visits to nearby villages throughout your holiday.
