

Can Cau

Region: Costa Brava **Sleeps:** 8

Overview

Just a short walk from the shoreline, Can Cau combines bright contemporary interiors with a relaxed Mediterranean atmosphere, where large windows and sliding doors keep the sea constantly in view. Here you are within easy reach of Tamariu beach, one of the Costa Brava's most sought-after coves, while enjoying privacy, sea views and generous indoor-outdoor living spaces.

The open-plan living and dining area connects directly to the garden and pool terrace, while the fully equipped kitchen is designed for easy everyday living. With four bedrooms spread across the main house and a separate annexe, the layout works particularly well for families or groups wanting both shared and independent spaces during their stay. Outdoor living is central to the experience at Can Cau. The infinity pool looks out towards the Mediterranean, while the wooden terrace, private garden and chill-out areas provide several places to unwind throughout the day. Fruit trees surround the garden, adding to the sense of privacy, and the covered terrace includes an outdoor dining area and summer kitchen with barbecue for relaxed meals outside.

Set in Tamariu, Can Cau is ideally positioned for enjoying one of the Costa Brava's most peaceful coastal settings. The beach, restaurants and waterfront atmosphere are all within walking distance, making it easy to spend days by the sea without relying on the car. The surrounding coastline offers walking paths, small coves and opportunities to explore the Mediterranean landscape at a slower pace, while nearby towns and villages provide a mix of local gastronomy, marinas and coastal scenery characteristic of this part of Catalonia.
