Trulli Lagorio

Region: Puglia **Sleeps:** 10

Overview

Immerse yourself in the rural history and culture of the Itrian valley in Puglia, and take a holiday in this restored 'trulli' house; a traditional conical-roofed stone farm building specific to the region.

Most guests choose to spend the majority of their stay lounging in the vast stone courtyard of Trulli Lagorio, surrounded by green slopes and olive groves. The garden is completed with a solar-heated pool and paved solarium, perfectly positioned for lush views over the valley. There is also a barbecue, stone pizza oven and roof terrace perfect for al-fresco dining with a chilled glass of wine on a warm Mediterranean evening.

The high standard of this renovation is apparent throughout, with a modern kitchen with a wood burning stove, 4 double/twin bedrooms, bunk beds and Wi-Fi internet connection throughout. The privacy afforded by the distinctive trullo layout and the multiple levels of the garden make this rental an ideal choice for a large family holiday.
