Overview

Ember Sky Villa is an impressive three-storey retreat located within the sought-after Cap Estate community, one of Saint Lucia's most exclusive residential areas. Recently remodelled throughout, the villa enjoys panoramic views across the Caribbean Sea, Pigeon Island National Landmark, and the island's lush northern coastline. Just a five-minute walk from Anse Du Cap Beach, guests are perfectly positioned to enjoy both peaceful surroundings and easy access to some of Saint Lucia's most desirable attractions. Spacious, light-filled interiors have been designed to make the most of the views, with French doors opening onto a large balcony that extends the living space outdoors. Three comfortable ensuite bedrooms, generous social areas, and modern amenities combine to create a relaxed and welcoming setting for families, couples, and groups of up to six guests.

Outside, the villa offers everything needed for a memorable Caribbean stay. A private swimming pool overlooks the coastline, while the surrounding deck provides plenty of space for sunbathing, dining, and spending time together. Tropical gardens filled with native plants and fruit trees enhance the sense of privacy and connection to the island. For larger groups, a self-contained guest apartment can be added for an additional fee, providing a fourth bedroom with a queen bed, along with its own kitchen, living and dining area, bathroom, bar, and private patio. Rodney Bay's restaurants, shops, marina, and nightlife are only a short drive away, while golf courses and the new Cabot Saint Lucia development are located nearby. With concierge services, regular housekeeping, air conditioning throughout, and a range of thoughtful extras provided for guests, every detail has been considered. Whether you're planning a family holiday, a special celebration, or a relaxing escape in the Caribbean, Ember Sky Villa offers a comfortable and well-appointed base in one of Saint Lucia's most desirable locations.

What we love

- An elevated position in the exclusive Cap Estate, offering panoramic views across the Caribbean Sea and towards Pigeon Island
- The private pool terrace and tropical gardens, creating a resort-style setting just a short walk from Anse Du Cap Beach
- Flexible accommodation, with the option to add a self-contained guest apartment for larger groups seeking additional privacy

What you should know...

- The villa comfortably accommodates up to six guests across three bedrooms. A fourth bedroom is available within a self-contained apartment on the pool deck for larger groups (Please note 7 or more guests will have to be selected to include the apartment)
- The villa is set across three levels, making it less suitable for guests with reduced mobility or families with very young children who require step-free access
- While Anse Du Cap Beach is within walking distance, a car is recommended for exploring Rodney Bay, nearby attractions, and other beaches around the island
- Please note while the self-contained apartment is more modest than the main house, it does provide an additional space for a larger group, nanny, or work
