Villa Cebra

Region: Ibiza **Sleeps:** 8

Overview

Villa Cebra is a charming Ibizan retreat tucked away amongst the peaceful countryside just outside San Carlos. Surrounded by 2,500m² of private, fenced grounds, the villa offers a wonderfully secluded setting for families and groups of friends looking to relax and enjoy the slower pace of Ibiza's picturesque northeast.

The main living spaces are found on the first floor, where a cosy living room features comfortable seating, a dining table and doors leading outside. Alongside sits a well-equipped kitchen with a central island and breakfast stools. The main double bedroom is also located on this level and benefits from air conditioning and an ensuite bathroom. Upstairs are three further air-conditioned bedrooms, including an ensuite double, a characterful four-poster double and a twin room. Each opens onto a shared terrace, while a family bathroom completes the floor.

Outside, there is plenty of space to unwind beneath the Ibizan sunshine. Steps lead down to the private swimming pool, surrounded by loungers and parasols, while several covered dining and seating areas offer shady spots for long lunches and relaxed evenings. A barbecue area is ideal for alfresco cooking, while the villa's private mini tennis court, complete with a basketball net, provides entertainment away from the pool.

Despite its secluded countryside setting, Villa Cebra is within easy reach of San Carlos, a charming village known for its relaxed atmosphere, local restaurants and famous Las Dalias market, while the beautiful beaches of Cala Llenya, Cala Nova and Aguas Blancas are all just a short drive away.
