Region: Dolomites **Sleeps:** 20

Overview

Maso Alpino is an exclusive mountain retreat combining Alpine charm, privacy and relaxation, set in the peaceful hamlet of Carpeneda, near Folgaria. Surrounded by breathtaking scenery, with views towards the Little Dolomites and Vallagarina, this collection of three luxurious apartments and a detached chalet offers a wonderful setting for families and friends to come together while enjoying their own space.

Rather than one large chalet, the accommodation comprises four independent homes set within the same grounds, each with its own kitchen, living area and dining table seating eight. This thoughtful arrangement allows guests to enjoy time together while retaining the comfort and independence of their own private accommodation.

Maso Pines Lodge is a two-bedroom, ground-floor apartment arranged entirely on one level, with warm wood tones and a wood-burning fireplace adding a cosy touch. Alpine Serenity Lodge and The Deer's Den each extend over two floors, with living spaces below and two bedrooms upstairs. In both apartments, one bedroom incorporates a mezzanine with two single sleeping places, making them particularly well suited to families.

Just a few steps away, The Enchanted Chalet occupies a separate building over three levels, featuring a lower-ground bedroom suite and its own 400 sqm private garden.

Outside, 9,000 sqm of grounds provide plenty of space to soak up the spectacular mountain surroundings. One of Maso Alpino's most distinctive features is its unique wellness area set within a natural cave, where guests aged sixteen and over can enjoy private, one-hour sauna sessions by reservation.

For those looking to explore, Folgaria's ski slopes are a short drive away, with assistance arranging ski lessons, equipment hire and slope-side storage available on request. Beyond the winter months, the surrounding Alpine landscapes provide a beautiful backdrop for hiking, cycling and discovering the natural wonders of Northern Italy.

Location & Local Information

Maso Alpino enjoys a peaceful setting in Carpeneda, a charming hamlet near Folgaria on Trentino's beautiful Alpe Cimbra plateau, with views towards the Little Dolomites and Vallagarina. Folgaria's centre is just three minutes away by car, offering a lovely selection of restaurants, shops and local amenities, while the property's tranquil surroundings provide a welcome escape from the busier mountain villages.

During winter, the Folgaria/Fiorentini ski area is easily reached by car, with Fondo Grande approximately 8 km away, around a ten-minute drive depending on road conditions. Ski school, equipment hire and slope-side storage can be arranged on request, making it easier for families to enjoy their time on the mountain. Away from the pistes, discover snowy woodland on guided snowshoeing excursions, enjoy ice skating or experience a memorable mountain refuge dinner reached by snowmobile.

As the snow melts, Alpe Cimbra transforms into a beautiful destination for outdoor adventures. Explore scenic hiking trails, guided forest walks and mountain biking routes, or discover the surrounding landscapes on horseback. The nearby 18-hole golf course offers another wonderful way to enjoy the mountain scenery, while nature lovers can visit the picturesque Hofentol Waterfall, hidden among the surrounding woodland.

Beyond the mountains, Maso Alpino is also well positioned for discovering more of Northern Italy. The beautiful shores of Lake Garda and the historic city of Verona make appealing day trips, offering everything from lakeside dining and picturesque villages to cultural landmarks and Italian architecture. For those keen to venture further afield, the spectacular Dolomites and celebrated cities of Venice and Milan provide even more opportunities to explore the region's remarkable landscapes, history and culture.
