Overview

Set directly on the shores of Little Exuma, Love Beach Villa is an exceptional five-bedroom oceanfront retreat where turquoise Caribbean waters and pristine white sands are found just beyond the door. Positioned on a secluded pocket beach shared with only four other luxury homes, the villa has been designed for relaxed island living, with uninterrupted ocean views creating a spectacular backdrop throughout. Upstairs, a spacious living room and fully equipped kitchen overlook the private infinity pool and sea, while the master suite features an ensuite bathroom with a luxurious bathtub. A second queen bedroom is complemented by its own ensuite, while an additional queen bedroom and bunk room share a full bathroom. On the lower level, a twin bedroom with a shower room is joined by a welcoming games room, offering an inviting space for families and groups to unwind.

Outside, days can be spent beside the infinity pool, stretched out on a lounger or gathered around the oceanfront living and dining areas. The expansive deck can be accessed directly from the living room and two of the principal bedrooms, allowing the beauty of the coastline to be enjoyed with ease. A BBQ and outdoor kitchen are provided for leisurely meals, while the calm, swimmable cove is only a few steps away. Beach chairs, kayaks and a paddleboard can also be rented for adventures on the water. All the comforts of home are provided, including linens, towels, toiletries, a washer and dryer. Georgetown, with its main grocery store and marina, is within convenient reach, while ferries to Stocking Island and private boat charters offer the chance to discover the Exumas' remarkable collection of 365 cays and islands.

Location & Local Information

Escape to Little Exuma, a blissfully unspoilt corner of the Bahamas where powder-soft beaches, luminous turquoise water and a wonderfully laid-back atmosphere invite you to slow down and savour island life. Spend sun-filled days discovering secluded stretches of sand such as the breathtaking Tropic of Cancer Beach, whose clear shallows are perfect for swimming, paddling and snorkelling. Explore the island by car to uncover quiet coves, colourful local communities and spectacular coastal viewpoints, or take to the water for kayaking, fishing and boat trips through the surrounding Exuma Cays. Stop at welcoming beach bars and restaurants to sample freshly caught seafood and traditional Bahamian flavours, accompanied by unforgettable ocean views. Nature lovers can look out for tropical birds and marine life, while adventurous travellers can venture north towards Great Exuma for lively Georgetown, Stocking Island and further excursions. Peaceful, beautiful and refreshingly uncrowded, Little Exuma offers an idyllic Caribbean escape made for relaxation and discovery.

What we love

- The private infinity pool and spacious oceanfront deck make the most of those incredible turquoise sea views, with plenty of space for lounging, dining and enjoying the sunshine
- A swimmable cove is just steps from the villa, while kayaks and a paddleboard can be rented for guests who fancy exploring the water.
- With five bedrooms, a games room and flexible sleeping arrangements, the villa is particularly well suited to families and groups travelling together
- Despite its wonderfully peaceful setting, Georgetown is within convenient reach, providing access to the island's main grocery store, marina, Stocking Island ferry and boat charters

What you should know...

- The pocket beach is shared with four other luxury holiday homes, so it is secluded rather than completely private
- Beach chairs, kayaks and a paddleboard are available to rent for an additional fee and are not included as standard with the villa
- The accommodation is arranged across two levels, with four bedrooms and the main living spaces upstairs and a twin bedroom, shower room and games room on the lower level
- One full bathroom is shared between the queen bedroom and bunk room, something larger groups may wish to consider when deciding on sleeping arrangements
- With so much to discover across Exuma's 365 cays and islands, guests may want to arrange boat trips or excursions during their stay, although the villa itself offers plenty of reasons to stay put
