Masia Altamira

Region: Sitges **Sleeps:** 33

Overview

Set within 250 acres of vineyards, orchards and Mediterranean woodland, Masia Altamira is a beautifully restored Catalan manor house offering an impressive setting for holidays with family and friends. Dating back to the 16th century, the property retains plenty of historic character while providing the comforts expected from a modern country retreat. From its elevated position in the Garraf countryside, guests can enjoy far-reaching views towards the Mediterranean, with extensive grounds offering plenty of space to relax, explore and enjoy the peaceful surroundings.

The main house features 11 individually styled bedrooms and accommodates up to 28 guests, alongside a generous selection of living and entertaining spaces. These include a Moroccan-style lounge, home cinema, games room and modern kitchen, while a private chef can also be arranged at an additional cost. For larger groups, a separate self-contained casita provides additional accommodation, increasing the overall capacity of Masia Altamira to as many as 33 guests. With its own kitchen, bathroom and living space, the casita is also ideal for guests seeking a little more privacy and independence.

Outside, a 20-metre solar-heated infinity pool forms the centrepiece of the estate, accompanied by a children's pool, hot tub, terraces and shaded dining areas. Guests can also enjoy the gym, sauna, table tennis, boules and basketball facilities, or explore the private walking tracks winding through the surrounding estate. Despite its secluded countryside setting, Masia Altamira is only around ten minutes by car from the beaches, restaurants and shops of Sitges, offering an excellent balance between rural tranquillity and easy access to the Mediterranean coast.
