Overview

Set directly on the shores of Cable Beach in western Nassau, Villa Skyline is surrounded by an oasis-like setting where panoramic ocean views and relaxed island living are brought together. Designed to accommodate up to 12 guests, the villa features five bedrooms, seven beds and 5.5 bathrooms, making it beautifully suited to families, couples and groups of friends. Ocean views are enjoyed from the spacious living room, dining area, fully equipped kitchen and both primary bedrooms, while the central courtyard provides a peaceful entrance and connects the bedroom spaces. Privacy is offered throughout, with every bedroom benefiting from its own en-suite bathroom. Three bedrooms are furnished with king-size beds, while another offers two double beds and the fifth features two queen beds. From the primary bedrooms, views are opened across the garden, swimming pool and sparkling Caribbean Sea, creating an inviting backdrop from morning until night.

Outside, Villa Skyline has been created for long, leisurely days beneath the Bahamian sun. A covered terrace is provided for alfresco dining and lounging, while the main swimming pool can be enjoyed throughout the year and is warmed to 80°F during the winter months. A separate plunge pool is also available, although this is not heated. Evenings can be spent beside the garden fire pit or relaxing in the hammock, while barbecues can be enjoyed outdoors. A generous sand pit provides space for volleyball, beach soccer, bocce and croquet, with steps leading directly to the beach and its crystal-clear waters. Swimming, snorkelling and walks along the Baha Mar strip can all be enjoyed from the doorstep. A complimentary car is also included, with insurance available separately, allowing more of Nassau to be discovered with ease. (Only guaranteed when booking is made at least 10 days before arrival)
