Location & Local Information

Apartment Villeneuve enjoys an excellent position for a ski holiday in Megève, with the slopes just 200m away and both the ski school and ski bus around 300m from the property. The apartment is also approximately 300m from the centre of the village, making it easy to combine days on the mountain with Megève's restaurants, cafés, boutiques and après-ski scene. A supermarket can be found around 500m away for everyday essentials.

Megève forms part of the extensive Évasion Mont-Blanc ski area, offering more than 400km of pistes across several linked resorts. Beginners can make use of gentler terrain, while more experienced skiers can explore challenging runs and off-piste opportunities around areas such as Côte 2000 and Mont Joly.

Away from the slopes, Megève retains the feel of a traditional Alpine village, with cobbled streets, historic architecture and a largely pedestrianised centre. Its development as a ski destination began in the early twentieth century, while its longstanding village character remains central to its appeal today.
