What we love

- The dedicated children's bedroom with two bunk beds makes the apartment particularly appealing for families.
- Boot heaters and a private ski locker make getting ready for days on the slopes that little bit easier ensuring you ski gear is safe and ready to go every morning.
- Apartment Mevalis' large windows allow plenty of natural light into the open-plan living and dining space

What you should know...

- Apartment Mevalis sleeps up to 8 guests, with accommodation designed for a maximum of 4 adults and 4 children due to the configuration and size of the beds.
- While there is 1 ensuite bathroom and 1 shared bathroom, there is only one toilet. This may not suit all families, please consider this before booking.
- The Rochebrune Cable Car is around 1km from the apartment rather than directly outside the property, meaning that you will either need to drive to the slopes or take advantage of the local bus service, with a bus stop around 500m from the apartment.
- The apartment does not have a fireplace, sauna or hot tub, so guests looking for additional spa-style facilities should bear this in mind
- Some neighbours in the other apartments are local residents and known to be early risers, therefore, guests are asked to keep noise to a minimum late at night.
