What you should know...

- Apartment Foyelle sleeps up to six guests, with accommodation designed for a maximum of four adults and two children due to the bunk room, therefore the apartment is not suitable for 6 adults.
- While there's no TV in the living room, the fireplace and mountain views make it easy to relax
- The Master Bedroom is located on the top floor, while the remaining two bedrooms are on the first floor.
- The second double bedroom and bunk bedroom share a bathroom with a bathtub and shower.
- The Mont d'Arbois cable car is around 1.2km away rather than directly outside the property.
- The apartment measures 73 sqm, so although well arranged for a family, living space may feel more compact when occupied by the full six guests
