What we love

- The private outdoor jacuzzi is perfect for unwinding while taking in the surrounding Alpine views.
- With the slopes just a few metres away, getting out onto the mountain couldn't be much easier.
- A private sauna provides a wonderfully relaxing retreat after a day of skiing.
- The dining table doubles as a pool table, creating a fun and sociable centrepiece for group evenings.
- A dedicated ski and boot room makes storing equipment between days on the slopes particularly convenient.

What you should know...

- The bunk bedroom contains two sets of bunk beds and is particularly well suited to younger guests.
- Please note, the fireplace in the living room is decorative only and cannot be used.
- For the summer months, air-conditioning is provided in all five bedrooms but not in the communal living spaces.
- A car is recommended for making the most of the surrounding villages and attractions.
- Saint-Gervais-les-Bains centre is around 3.6km away, so shops and restaurants are not within immediate walking distance.
- The chalet is just a few steps from the slopes, but the nearest run is red, so this access is best suited to confident skiers and is also dependent on snow conditions.
