Overview

Set directly on the sands of Nassau's sought-after Cable Beach, The Conch House is a stylish beachfront retreat where contemporary island living is paired with an enviable Caribbean setting. Sleeping up to 20 guests across nine bedrooms, the property is arranged as five beautifully designed private accommodations, making it particularly well suited to larger families and groups who appreciate having their own space while holidaying together. Two one-bedroom suites, two two-bedroom suites and a spacious three-bedroom suite are provided, with an additional sleeping area featuring two queen-size sofa beds connecting the two-bedroom suites. Throughout, interiors have been thoughtfully styled with modern, island-inspired décor, while fully equipped kitchens and private patios allow relaxed days to unfold at an easy pace. Generous shared outdoor spaces are framed by sweeping ocean views, bringing the beauty of the Bahamian coastline into almost every moment of a stay.

Outside, a secluded sandy cove provides direct access to the clear waters of the Caribbean Sea, while the shared swimming pool forms an inviting centrepiece for long, sun-filled afternoons. Poolside and oceanfront loungers are positioned for making the most of the tropical surroundings, with mature coconut trees offering welcome pockets of shade throughout the grounds. Despite its peaceful beachfront atmosphere, The Conch House is ideally placed for discovering the best of Cable Beach. Restaurants, shops and local amenities can all be reached within a short walk, while the renowned Baha Mar Resort is also close by for an even wider choice of dining and entertainment. What we love

- The fabulous beachfront setting, with direct access to a sandy beach tucked away in a secluded Caribbean cove
- The Conch House is brilliant for larger groups, sleeping up to 20 guests while offering five separate accommodations for a little extra privacy
- A shared pool and oceanfront lounging areas make the most of Nassau's sunshine, with coconut trees providing natural shade throughout the grounds
- The Cable Beach location means restaurants, shopping and the renowned Baha Mar Resort are all within easy reach

What you should know...

- The Conch House is arranged across five separate private accommodations rather than as one traditional villa, making it particularly well suited to groups who appreciate a little independence
- While the property is listed as sleeping up to 20 guests, the additional sleeping space comprises two queen-size sofa beds and is not considered a separate bedroom
- Please note that The Conch House shares grounds with Casa Bahama (https://www.oliverstravels.com/caribbean/the-bahamas/nassau/casa-bahama/), for bigger groups, these can be booked together to make up Barefoot Estate (https://www.oliverstravels.com/caribbean/the-bahamas/nassau/barefoot-estate/)
