What we love

- Near direct ski-in ski-out access makes getting onto the slopes remarkably straightforward.
- The private hammam within one of the bathrooms provides a relaxing retreat after a day on the mountain.
- Apartment Belina's central Courchevel 1850 setting puts cafés, boutiques and ski facilities close at hand.
- Three double bedrooms make the apartment particularly well suited to families or groups of adults travelling together.
- The duplex layout creates a good sense of separation between the main living areas and the two upper-floor bedrooms
- A dedicated ski locker makes storing equipment between days on the slopes particularly convenient.

What you should know...

- Apartment Belina sleeps up to six guests across three double bedrooms.
- Bedroom 1 is located on the lower floor, while Bedrooms 2 and 3 are on the upper floor of this duplex apartment.
- The private hammam is accessed through Bedroom 1, if all guests would like to use this feature, they should be aware it is located in an ensuite bathroom
- Bedroom 3 has its own private bathroom with a bathtub, but the bathroom is located outside the bedroom rather than being ensuite
- The fireplace is decorative only and cannot be used
- Although Apartment Belina offers direct slope access, guests should bear in mind that Courchevel 1850 is a lively resort setting rather than a secluded mountain location
