- The peaceful Le Bettex setting offers a quieter Alpine base within easy reach of both Saint-Martin-de-Belleville and Les Menuires

What you should know...

- While this property is considered ski-in/ski-out, Le Bettex ski lift is around 100m away, providing excellent access to the wider Three Valleys ski area.
- Apartment Perrombre forms part of a connected chalet-style residence and is not a detached chalet, therefore residual noise from other apart-chalets might be heard
- All four bedrooms have ensuite bathrooms, with Bedroom 3 featuring the bathroom with a bathtub and shower
- One bedroom is arranged as a separate studio with its own kitchenette, creating a slightly more independent sleeping space, therefore may not be suitable for younger children
- Saint-Martin-de-Belleville is around an eleven-minute drive away, so the village centre is not within immediate walking distance, a car is strongly recommended if you wish you visit other areas. Le Bettex itself is very quiet and suits guests not looking for a lively après scene.
- Two private garages are provided, which is particularly useful for guests planning to explore the surrounding Belleville Valley by car
