From here, guests can ski down towards the old town and the Télécentre lift, which connects into the wider Alpe d'Huez ski area, including Signal and Pic Blanc. The distribution listing places the resort centre around 500m away and the nearest ski lift approximately 200m from the property.

This central setting makes Apartment Paganora a convenient base for guests who want straightforward access to the mountain while remaining close to the restaurants, shops and amenities of Alpe d'Huez.

What we love

- The slopes are around a two-minute walk away, making it easy to get onto the mountain each morning.
- Shops, bakeries and restaurants in central Alpe d'Huez are only a few minutes away on foot.
- The large furnished balcony adds valuable outdoor space and partial mountain views.
- Bedroom 1 has its own ensuite shower room and private balcony, giving the main bedroom added privacy.
- The dedicated bunk room sleeps four children, making Apartment Paganora particularly well suited to families.
- A private ski locker with boot heaters makes storing equipment especially convenient.
- Double private indoor parking is a practical bonus for guests arriving with more than one car.

What you should know...

- Apartment Paganora accommodates a maximum of four adults and four children, with the bunk room intended for the younger guests.
- Bedroom 1 has an ensuite shower room, while Bedrooms 2 and 3 share the main bathroom.
- The sauna, hammam, fitness suite and sensorial showers are shared residence facilities rather than private to the apartment. These facilities may have reduced availability or be unavailable outside the ski season and peak summer season, so guests travelling at quieter times should check before arrival.
- Apartment Paganora is close to the slopes but is not ski-in/ski-out, so guests should expect a short walk with their equipment.
- The property is designed with families in mind, so adult-only groups should bear in mind that four of the eight sleeping spaces are bunk beds intended for children.
- Apartment Pagnora and Apartment Huezora (https://www.oliverstravels.com/france/french-alps/alpe-dhuez/apartment-huezora) are in the same building, making them a good option for friends or extended families who want to stay close together while still having their own private space
