Villa Sidonia Sky

Region: South Crete **Sleeps:** 16

Overview

Situated on an elevated hillside overlooking the southern coastline of Crete, Villa Sidonia Sky is a contemporary seven-bedroom property offering privacy, spacious living areas and panoramic views across the Libyan Sea and surrounding mountains. The villa has been designed to combine indoor and outdoor living, with a range of facilities suitable for families and larger groups.

The main living level features a bright, open-plan living and dining area with a fireplace, alongside a fully equipped kitchen. Large glass doors allow natural light to enter the living spaces while providing views of the surrounding landscape and direct access to the outdoor terraces. An additional fully equipped kitchen offers extra space for food preparation, particularly for larger groups or those arranging private catering. The property also includes a dedicated laundry area with a washing machine and tumble dryer.

Four of the villa's seven bedrooms are located on the main living level, each with its own ensuite bathroom and direct access to the outdoor areas. Two bedrooms feature double beds, while the remaining two have twin beds that can be converted into doubles, offering flexibility for different group arrangements. One of the twin bedrooms is also wheelchair-accessible.

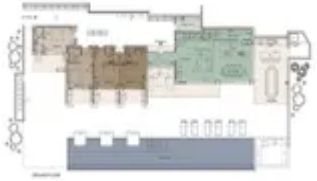

The first floor accommodates the remaining three bedrooms, all with ensuite bathrooms and access to balconies overlooking the surrounding landscape. Two bedrooms feature double beds and an additional single daybed, allowing each room to accommodate a third guest. One of these bedrooms opens onto a private balcony, while the other shares a spacious panoramic balcony with the seventh bedroom, which features twin beds that can be converted into a double. The upper-level balconies offer views across the Libyan Sea and surrounding mountains.

Outside, the villa features an extensive terrace centred around a 29-metre infinity swimming pool, covering approximately 116m² and overlooking the Libyan Sea. The surrounding sun terraces are furnished with loungers, providing space to relax and enjoy the coastal and mountain views.

The outdoor facilities also include a covered dining area, a fully equipped outdoor kitchen, a bar and a barbecue, allowing guests to prepare and enjoy meals outside. Two separate outdoor lounge areas offer additional seating spaces for socialising or relaxing throughout the day.

With its elevated position, flexible bedroom arrangements, generous indoor and outdoor spaces and extensive facilities, Villa Sidonia Sky provides a comfortable base for families and larger groups looking to enjoy a private villa stay on Crete's southern coast.
