What you should know...

- Apartment Terralis accommodates a maximum of four guests across two double bedrooms, therefore the apartment is best suited to couples rather than families.
- Both bedrooms share the apartment's single bathroom with shower.
- The apartment is located on the third floor of the residence, with lift access available.
- The indoor pool, sauna, hammam and fitness suite are shared residence facilities rather than private to Apartment Terralis. These facilities may be closed outside the ski season and peak summer period, so guests travelling at quieter times should check availability before arrival.
- The resort centre is around 1.1 km away by road, although Les Bergers amenities are closer and can be reached on foot.
- The nearest ski lift is approximately 450m away, accessed via the slopes directly outside.
- Underground parking is provided, but there may be a height restriction, so those arriving to resort by car may need to be mindful if travelling with a roof box.
