## Overview

Tucked within the Marrakech medina, Riad Mentha is a beautifully restored retreat with serene courtyards, vibrant flowers, and a rooftop terrace offering sweeping views of the Atlas Mountains. With six en-suite bedrooms for up to thirteen guests, it's perfect for groups or celebrations. Guests are looked after by a dedicated team of three, with breakfast included and additional meals prepared on request by the riad's talented cook. The house combines tradition and comfort, blending antiques, local craftsmanship, and characterful art with modern touches such as Egyptian cotton linens and high-quality mattresses.

Behind its modest entrance, Mentha reveals a peaceful haven with a pool, hammam, and massage facilities for total relaxation. The roof terrace is an inviting sun trap, ideal for unwinding with views across the medina rooftops. Brahim, the attentive manager and concierge, can arrange excursions to the mountains, desert, or coast, as well as activities from golf to restaurant reservations, ensuring a seamless and memorable stay.

# Location & Local Information

Riad Mentha is in the very heart of the old town or medina, about five minutes walk from the big square and the souks. Despite this it is very peaceful and tranquil. The derb it sits on is too narrow for cars so there is no traffic noise. There is a team of drivers to collect guests from the airport or station, and Brahim is on hand to guide guests to the house - tricky at first as the medina is like a rabbit warren!

Fishing, ski-ing and golf are all readily available - Brahim can arrange trips for all of them, and also white-water rafting, hot air ballooning, beach, and desert overnight trips. There is parking about five minutes away.

## What we love

- The riad oozes simple, understated chic and luxury.
- Fantastic staff who are discreet, courteous and delightful.
- We just love that this tranquil, beautiful property is located in the heart of the medina, just a stone's throw away from the square.

## What you should know...

- The pool is unfenced and unfortunately unsuitable for small children.
- Sometimes there can be some street noise - not cars, but traders calling.
- The stairs to top roof terrace are extremely steep.
