

Chalet Pedrix Noire

Region: 3 Valleys Sleeps: 14

Overview

Chalet Pedrix Noire is a standout ski chalet in one of Méribel's most convenient positions, offering true ski-in ski-out access along the Mauduit piste. The closest lift is Tougnete 1, a short ski from the property, and you are also brilliantly placed for the Saulire Express, making it easy to spread out across the Three Valleys from the very start of your day. Sleeping up to fourteen adults, this impressive four-floor chalet combines generous proportions with a warm alpine feel, making it an excellent choice for larger groups who want to maximise time on the mountain.

Inside, the chalet blends traditional timber architecture with refined contemporary touches. The main living and dining space is designed for sociable evenings, centred around a large open fireplace and framed by big windows that draw in the snowy scenery. A separate kitchen sits to the rear, keeping the heart of the chalet calm and uncluttered while meals are prepared.

After skiing, Chalet Pedrix Noire comes into its own. Soothe tired legs in the sauna, then step outside to the open-air hot tub for a long soak in the crisp mountain air. Entertainment is equally well covered, with a home cinema and games space that suits everything from family downtime to relaxed nights with friends.

All seven bedrooms are ensuite and can be arranged as twins or doubles, giving you flexibility whether you are travelling as couples, families, or a mixed group. With a ski room featuring heated boot warmers and private parking, Chalet Pedrix Noire delivers a smooth, comfortable base where the lifts, the pistes, and the best of Méribel are always close at hand.

Location & Local Information

Chalet Pedrix Noire is set in an outstanding position in Méribel, placing you right at the centre of the resort's ski action while remaining easy to navigate beyond the slopes. Located at the bottom of the Mauduit piste, the chalet offers true ski-in ski-out convenience, with the Tougnete 1 lift reached via a short ski of around 50 metres. From here, you can quickly access a broad mix of terrain, while the nearby Saulire Express provides a fast link towards Courchevel and the wider Three Valleys ski area.

This prime setting makes skiing effortless from first lift to last run. There is no need for buses or long walks in ski boots, and returning to the chalet at the end of the day is just as smooth, with the piste leading you straight back to the door.

When it comes to exploring Méribel away from the slopes, guests benefit from the added convenience of a private minibus service, making it easy to reach restaurants, après-ski spots, and village amenities without relying on public transport. The chalet is also well placed for enjoying Méribel's lively centre, offering access to shops, bars, and dining options while still retaining a sense of calm and privacy.

With key lift connections moments away and flexible transport on hand, Chalet Pedrix Noire delivers a location that allows you to enjoy Méribel and the Three Valleys with ease, both on and off the mountain.
