## Overview

Stunning Le Grand Palandger is a must-stay-to-be-believed one-of-a-kind French chalet experience. Set just a short hop away from the heart of Méribel, Le Grand Palandger is an absolute delight.

Owned by former members of the British Ski Team, this beautiful five-bedroom chalet is spread across four levels and designed with every comfort in mind for skiers looking to enjoy a luxurious Alpine escape. Heralded around the world as one of the best chalets in the entire French Alps, the excitement for your stay at Le Grand Palandger starts long before you arrive.

Once you do arrive, you'll be hard-pressed not to fall in love with the sophisticated rustic charm of this delightful traditional chalet. Dressed in soft modern decor that perfectly compliments the traditional wood and grey brick interiors, Le Grand Palandger is truly a cut above the rest.

Recently renovated, Le Grand Palandger spares no expense when it comes to ensuring your comfort during your stay. Your entrance floor opens up to a warm welcoming entrance space with boot and equipment storage located at the end of the hallway.

Moving upstairs, you'll find your breath taken away by the majesty of the main floor - with a huge lounge dressed in comfortable sofas and chairs warmed by a large open fireplace at the centre of the room. Large grand windows surround the space, flooding it with natural light and allowing unrivalled views of the surrounding landscape. Through a door to the back of the room, a recently-modernised kitchen and dining space await. Your kitchen is fully equipped with everything you need to prepare delicious homecooked meals while the large family-style table is perfect for enjoying them with your guests.

Your five bedrooms are spread across the chalet's different levels with the first bedroom tucked away on the main level. This comfortable twin room offers gorgeous views of the Méribel scenery and has a private en-suite bathroom. Two additional bedrooms are located on the top floor, one another double room with an en-suite bathroom and the other a double room with access to a shared bathroom.

The fourth bedroom is located alone on the lower level of the property, with two twin beds and access to a shared bathroom while bedroom five sits opposite the entrance hall, beneath the chalet's eaves, with twin beds and use of a shared bathroom.

Each bedroom is decorated simply and elegantly, helping you to get a good night's rest in maximum comfort.
