What we love

- Close to all the wonderful city amenities of Bergerac, just 11 km away.
- The garden is made for outdoor living. Jump in the pool whilst the burgers are on the barbecue and dine al fresco on the terrace. The palm trees will transport you to the other side of the world. How wonderful to be in two places at once!
- Have a little guessing game where the objects in the house come from. The owner is well travelled and has participated in many Paris-Dakar races.
- If it is too warm or for rainy days, cocoon in the sun room. It will feel as if you were outside with all these windows.
- The owner is happy to pick up guests from the airport free of charge, subject to availability.
