

# Villa Salome

**Region:** Gran Canaria **Sleeps:** 6

---

## Overview

This modern accommodation is located in the "Par 4" complex at Salobre Golf Resort, a unique, quiet and private location in the south of Gran Canaria.

The villa has three double bedrooms: the master bedroom has a double bed and a full bathroom with a shower; the second and third bedrooms have two single beds each and a full bathroom with a shower to share. Two of the bedrooms have direct access to the garden and the swimming pool through large windows. We think that Villa Salome is ideal for families with children or for people with reduced mobility as it has been built on one floor.

The interior of this magnificent villa is completed with a large, fully equipped kitchen and a living room framed in natural stone with direct access to the fabulous terrace. Outside, there is a private heated swimming pool (with a supplement), 8 metres long and 4 metres wide, a garden area with sunbeds, a Balinese bed, a built-in barbecue and a large semi-covered terrace with an outdoor dining and living area, ideal for enjoying the climate of Gran Canaria at any time of the year.

A haven of peace only 10 minutes by car from the tourist centre par excellence: Maspalomas and Meloneras.

## Location & Local Information

Villa Salome is on the Salobre Golf Resort - the only resort in the Canary Islands that combines two eighteen-hole courses on the same site. The resort really is the toast of the island, featuring the best greens in the region and promising players of all levels a challenging game in a stunning setting.

Salobre Golf Resort is just minutes from the 'tourist centre par excellence' - the resort towns of Maspalomas and Meloneras. We definitely recommend leaving the golf clubs at the villa for the day and heading out to see what these high-end towns have to offer in the way of places to eat and drink, shop and entertain. Maspalomas, in particular, is well-known for its vast expanses of coastal dunes, a protected site that covers over a thousand acres. You can explore much of this area on foot, taking in sights such as the beautiful lagoon and lighthouse, but we recommend taking a camel safari for a truly unique and fun way to experience this incredible landscape.

The Maspalomas Botanic Garden is an often under-rated attraction that is well worth a visit while you're here. Situated right next to the golf course, this collection of cacti and brightly coloured flowers provide the perfect photo opportunity pit-stop before you head off for a bite to eat - and this is where you're really about to be spoiled for choice! Both Maspalomas and Meloneras are bursting with fantastic seafront restaurants that offer a dazzling array of cuisines, along with some incredibly breathtaking views. If seafood is a particular favourite, you're in for a treat and will find no shortage of places offering fresh, local fish dishes, including prawns, octopus, grilled calamari and seafood paella. For those who are more turf than surf, there are a number of good, family-friendly restaurants serving steaks and burgers, as well as pasta dishes - and in addition, there are plenty of bars where you can enjoy cocktails and pre-dinner drinks.

If looking to get some shopping in during your stay at Salobre Golf Resort, you'll be pleased to know that there are some fantastic outdoor markets to visit in the area,

both during the week and on Saturdays, with stalls selling everything from clothing and jewellery to arts, crafts and fresh produce. The aloe vera plant is native to Gran Canaria, so you'll find a wide array of aloe vera products on sale at the markets here - so be sure to grab some locally-sourced skincare during your visit! If you're looking for a higher-end shopping experience, we recommend heading to Boulevard Faro, where you'll find well-known labels like La Perla, Burberry and Tommy Hilfiger. A little further along the seafront, you'll find the popular Bellavista and El Varadero shopping centres, as well as even more cafes, bars and restaurants to enjoy.
