- The enclosed garden and private pool means the kids can play in safety while the adults relaxed
- Villa Sardina is located just a short journey from Maspolomas and Meloneras and all they have to offer in the way of attractions, beaches and restaurants

What you should know...

- The villa's private pool is only accessible by ladder, which could prove tricky for very young guests. There's no fence or barrier either, so parents will want to make sure little ones are well supervised
- If you are staying as a couple with children, be aware that the two bedrooms are on separate floors, which might not be ideal for very young children
- A cot and highchair are available on request
- Car hire is advised
- Please be aware that there may be some local development work in the area. Any disruption is typically minimal, but we like to keep guests informed in advance (please enquire for more information)
