

Villa Cedric

Region: Kefalonia Sleeps: 6

Overview

Villa Cedric is a superb detached villa conveniently located in an idyllic pastoral setting, less than a fifteen-minute stroll from the shops, restaurants and the lovely blue flagged beaches in the popular and picture postcard resort of Karavomylos and Sami.

This modern designed villa is constructed over two floors with the ground floor living area particularly spacious and bright, and with large patio doors leading out to the front terrace, allows attentive parents to supervise the younger family members splashing about in the swimming pool from the comfort of the lovely al fresco dining area, a perfect vantage point for the hotter parts of the day! From the upstairs bedrooms, there are wonderful countryside views from the lovely balconies and provides a perfect setting for a well-earned, end of the day sundowner!

This is a perfect villa for a small family, or for two couples travelling together. This truly is a serene setting, with attractive gardens, a fabulous private swimming pool and less than a fifteen-minute walk from the beach and resort facilities, what more could you possibly ask for from a holiday villa.

Location & Local Information

A stroll of about fifteen minutes takes you along to the gorgeous beach and lovely waterfront shops, restaurants and café bars in nearby Sami, whilst a drive of less than ten minutes brings you to another delightful village, Aghia Efimia, well known for its eclectic selection of café bars, restaurants and shops. For those who enjoy exploring vast blue flagged beaches, and escaping the crowds, this is the perfect corner of Kefalonia to holiday in, as the nearby beaches of Anti Sami, Myrtos and Poros offer just that, and more.

Also, why not explore the nearby Melissani Lake, once known as the cave of the nymphs, well, until the roof caved in! Re-discovered back in 1951 and with a depth and variety of colours we only thought capable with the use of Photoshop, when the sunlight hits, it reflects every shade of blue you can think of.

What we love

- For any budding actors and actresses, you're in luck as there's a traditional open air Greek amphitheatre in the garden!
- Should your roaming instincts get the better of you, then the iconic sightseeing hotspots of both Melissani Lake and the Drogorati Caves are less than a 5-minute drive away from Villa Utopia
- For beach worshipers, you're in luck, as both Anti Sami beach and Myrtos beach (both made famous by the Captain Corelli's Mandolin movie) can be found less than a 15-minute drive from the villa

What you should know...

- This might not be the best villa for those wishing to partake in a spot of skinny dipping, as there are another 3 villas situated in this large plot of land (the villas and pool areas are NOT overlooked, but...)
- There are steps to the villa and in the garden area - not adequate for those with mobility issues
- The alfresco dining area is not covered, therefore it is the ideal place for late lunches, evening dinners when the sun is not high
