What we love

- The villas superb position on the island gives it beautiful panoramic views of the Ionian Sea
- Despite being relatively close to the other villas, the large garden space gives the villa a private and secluded feel
- There is a welcome platter, with tea, coffee, water, local cheese and sweets
- There are basic toiletries at the villas, shampoo, body lotion and shower gel

What you should know...

- The peaceful location of the villa is fantastic but we recommend using a car to explore the island, as the beach and amenities of Lefkada are too far to reach on foot
- We recommend taking a small torch with you as it might come in handy to help you find your way back to the villa of an evening!
