What we love

- The beaches on the Northern coast are beautiful and only a short drive away from the villa.

What you should know...

- Although air-conditioning is available in one bedroom only, there are portable fans in most areas to keep you cool.
- The villa's secluded location - at the top of a hill - means we recommend hiring a car as the villa is accessed up a steep and narrow track.
- The local town is about a 15 minute drive from the villa.
- The pool is not fenced, so children should be supervised when outdoors.
