What we love

- The beautiful and private setting of the vast and beautiful garden and grounds, which offer plenty of space for everyone to enjoy the stunning French Countryside – the outdoor dining terrace is perfect for breakfast and for watching the sun set with a glass of wine!
- The large gated pool area with characterful pool house with balcony and a barn for fun and games
- Le Moulin Charmant feels like a real home and offers comfortable and spacious accommodation
- The master bedroom is very smart and enjoys independent access from outdoors as well as from indoors. There is also a new adjacent bunk-bed room ideal for kids!
- Try your luck for roach (quite tasty, with seasoning) in the river pools around the island adjacent to the mill!

What you should know...

- Due to the nature of the vast grounds and the small canal, small children should be supervised
