Location & Local Information

Barbati View gets its name from the beautiful town that the villa oversees. Barbati is a quiet seaside village located halfway between the Corfu Town and the popular harbour village of Kassiopi in the north-east of the island.

With a fine selection of amenities, including seafood restaurants, a bakery and a couple of mini markets, Barbati literally has everything you require for a comfortable and peaceful stay. The lovely stretch of beach is also renowned as being one of the cleanest and prettiest on the whole island, quite a feat when you consider just how many wonderful beaches there are on this captivating island. There is a regular bus service into the islands capital, as well as regular daily boat trips heading into town, as well as along the rugged coastline to Kassiopi, stopping in the gorgeous bays of Nissaki, Kerasia and Aghios Stephanos along the way.
