

Villa Paionia

Region: Lefkada Sleeps: 4

Overview

Villa Paionia has an excellent location, rurally situated in the Asplathia region, just a short car journey from Lefkada Town itself. Surrounded by olive trees, the villa's location in the lush green hills of the island makes for a relaxing and peaceful stay. Villa Paionia is perfect for couples wanting a romantic getaway or young families travelling with an infant.

The cosy villa is located at the highest point of the small complex of six villas and, as a result, boasts some of the best views over the mountains and the sparkling Ionian Sea. The villa comfortably sleeps two guests in its master bedroom. However, it can also accommodate a baby or toddler. The accommodation is set out over one level and comprises a fully-equipped kitchen complete with all necessary amenities and an open-plan dining and living room area with access to the outside space. There is also a queen-size master bedroom with an en-suite bathroom.

Outside, the large private pool is the perfect spot to soak up the beautiful views out to sea and really enjoy the tranquil surroundings. There is a dining area, fantastic for those who enjoy al fresco dining or those simply wishing to enjoy a quiet drink while watching the sunset after a busy day exploring the island or relaxing on the beach.
