

Villa Jupiter

Region: Quinta do Lago Sleeps: 8

Overview

Boasting the wow factor, and most definitely a villa that you would expect to be featured on Grand Designs, Villa Jupiter is a truly exceptional holiday home. There are so many extraordinary features to mention, such as wall-to-wall glass panelling, slate walls, a kitchen for chefs to salivate over, a roof-top jacuzzi and a spectacular glass wall on the lower ground level allowing you to look directly into the sparkling swimming pool, this villa simply oozes style and sophistication.

Located in Quinta Verde on the outskirts of Quinta do Lago, you will be immediately smitten by the strikingly modern façade with its outstanding private swimming pool and poolside terraces. This really is a very special villa for those seeking a luxurious family break close to the laid-back resort facilities and gorgeous sandy beaches of Quinta do Lago, or for special family occasions, thanks to the wide selection of excellent shops, restaurants and café bars in nearby Vilamoura and Albufeira.

As you would expect from such an impressive looking property, the interiors continue to amaze as you stroll from room-to-room and floor-to-floor. We believe that everyone will have their own particular favourite but ours is the rooftop jacuzzi affording panoramic views towards the colourful coastline.

For those who wish to explore the surrounding area, then you won't be disappointed, with the vibrant resorts of Vilamoura and Albufeira under a short drive away where you will find a wide selection of shops, restaurants and cafés to cater for all tastes and ages. And for those who wish an evening out slightly closer to home, then the exclusive selection of fine eateries and boutique shops in nearby Quinta do Lago is roughly a 10-minute drive away.
