Location & Local Information

Villa Gelida has a fantastic location within the residential area of Agua Gelida just 1km away from the popular resort of Tamariu which boasts a range of amenities as well as one of the best family-friendly beaches in the region. The villa makes a perfect base for those looking to explore the Palafrugell region. The closest airport, Girona-Costa Brava is conveniently located under an hour away.

According to the British Telegraph newspaper, the beach at Tamariu ranks as one of the best beaches on the Costa Brava. Embraced by pine-clad headlands, the horseshoe-shaped beach is very pretty, family-friendly and sheltered.

Just behind the beach is the pedestrian promenade, where there are some cafes, restaurants and beach gear shops. Parents can happily while away a little time in the shade, sipping whatever they fancy, with their children, only yards away from them, play safely on the sand.

It probably won't be the first time you've heard of it, in this neck of the woods, but Tamariu was originally a small fishing village. It has definitely retained some of its charm and identity, and its beautiful south facing sandy bay offers a romantic destination for lovers. It's also a good choice for families seeking a quieter Costa Brava resort.

The activity in the village will peak in August, but as yet there aren't any English bars or breakfasts. Neither are their high-rise hotels on the landscape, only a blend of greens, blues and sandy shades with pretty whitewashed buildings in the foreground.
