What we love

- Guests of Cameron North Lodge have complimentary access to the fantastic leisure facilities at the Cameron House Hotel
- Impressive entertaining space perfect for a family get together or a group of friends with views looking over Loch Lomond
- When it comes to golf, there is no better location than Cameron North Lodge, guests have a choice of three courses, whether it be the championship standard Carrick Golf Course, the notoriously tricky Wee Demon nine-hole course or the World renowned Loch Lomond Golf Course - if you are fortunate enough to be a member!
- The hot tub is the perfect spot to relax after a long day on the golf course...

What you should know...

- Please ensure that young children are supervised at all times. As the Lodge is situated on the loch front, it is very important that they are not left unsupervised
- Guests staying in the upstairs bedrooms would need to use one of the family bathrooms' on the ground floor
- The stairs leading up to the top floor bedrooms are quite steep, however there are two handrails for different height guests. The ground floor bedroom is ideal for guests that struggle with stairs, and the main house door is close by for easy access.
- The house is conveniently located directly next to Duck Bay hotel and car park. However the house still feels very private
