

Villa Ilia

Region: Vilamoura **Sleeps:** 8

Overview

Villa Ilia has a terrific location with supermarkets, restaurants and bars just a short stroll down the street toward the Marina. This villa's style is reminiscent of the more traditional form of architecture, synonymous with the Old Village, which is a short walk away. The interior has recently been refurbished and is in a peaceful location, making this four-bedroom holiday home perfect for families.

As you come through the villa entrance, you will walk into an open plan living area where the dining space and lounge are on split levels. This airy white space is wonderful for enjoying some indoor activities, if the sun is not tolerable during its peak. A basement provides further entertainment, where you can use the pool table. The kitchen has a striking contrast of vibrant red cabinets and black marble topped counters & black tiled floors. So hopefully you'll be able to take on some of the traits of the fully equipped kitchen and create some equally exciting dishes.

As you leave the kitchen, you are greeted by a covered outdoor dining and the barbeque area. The original terracotta tiled flooring remains cool throughout the day, so no more quick dashes between the swimming pool and patio area are required. The enclosed garden is shielded by leafy hedges and sun loungers are scattered upon the lawn encircling the 'L-shaped' swimming pool.

The villas bedroom configuration comprises of a master En-suite double bedroom, an en-suite bedroom with two single beds and a bedroom with two single beds on the first floor. On the ground floor, there is a double bedroom. There is also a communal bathroom on each floor, for your guests' convenience.
