

Villa Carme

Region: Mallorca Sleeps: 8

Overview

Just a short walk from an enchanting beach and one of the island's best fish restaurants, Villa Carme is a wonderful high-end holiday home with swimming pool for family or friends wishing to discover this beautiful corner on the island of Mallorca.

The villa has been restored to a very high standard with exposed wooden beams, traditional high-end furnishings, beautifully tiled floors and light and airy white washed walls with contemporary artwork throughout. The immaculately presented living room benefits from modern touches such as a plasma TV and Bode surround system whilst enchanting French windows leading to the bougainvillea draped porch and the wonderful swimming pool beyond. You can wander through to the spacious dining area, with more spectacular views and comfortable spots to relax inside.

Two of the four bedrooms have traditional Malloquin four poster beds and all of them immaculately tiled ensuite bath or shower rooms. Sunlight floods through the generously proportioned windows and you can catch glimpses of the sea or mountain scenery throughout. With an atmosphere of simple luxury and refined taste, the interiors of this villa are incredibly beautiful.

The swimming pool also enjoys views down to the sea and there are plenty of spots for outdoor relaxation whether it is lounging under the loggia by the pool, swinging in the hammock or sun-bathing in the bright and warm sunshine of the pool terrace. There are various opportunities for al-fresco dining and a brilliant BBQ for long summery evenings with family or friends under the stars. The villa has some wild gardens leading down to the nearby river and is otherwise surrounded by lush countryside and olive groves beyond.

Just 200 metres away is a beautiful and popular sheltered pebble cove, Cala Deia, where you will also find a superb rustic seafood restaurant overlooking the sea, known to be one of the best on the island.

Deia, about twenty-five minutes walk up a steep hill, is an idyllic village on the west coast of Mallorca, perched high up with stunning views down to the crystal clear seas. With a stunning backdrop of the 'Sierra de Tramuntana', the beautiful village is typically Mediterranean with green shuttered stone houses and narrow streets of pretty boutiques, art galleries, upmarket restaurants, cafes and Mallorquin tapas bars. It is very popular with tourists in the summer, with good reason as visitors come to experience the arty and bohemian vibe, just like the late Robert Graves did when he lived in the village in the nineteenth century.

The pretty town of Soller is a dramatic 10km drive away, a beautiful town so popular with walkers or tourists looking to get off the beaten track. Take the old wood panelled train through the orange groves from Soller to Palma for a day trip to the magnificent city.
